OHSU Organization

OHSU Mission

Oregon Health & Science University is the state's only comprehensive public academic health center. Its fundamental purpose is to improve the health and well-being of people in Oregon and beyond. A Board of Directors nominated by the Governor and confirmed by the Oregon Senate governs the University.

As part of its multifaceted mission, OHSU strives for excellence in education, research and scholarship, clinical practice and community service. Through its dynamic interdisciplinary environment, OHSU stimulates the spirit of inquiry, initiative and cooperation among students, faculty and staff.

Setting the example for integrity, compassion and leadership, OHSU strives to:

- Educate tomorrow's health professionals, scientists, engineers and managers in top-tier programs that prepare them for a lifetime of learning, leadership and contribution.
- Explore new basic, clinical and applied research frontiers in health and biomedical sciences, environmental and biomedical engineering and information sciences, and translate these discoveries, wherever possible, into applications in the health and commercial sectors.
- Deliver excellence in healthcare, emphasizing the creation and implementation of new knowledge and cutting-edge technologies.
- Lead and advocate for programs that improve health for all Oregonians, and extend OHSU's education, research and health care missions through community service, partnerships and outreach.

OHSU 2025

OHSU 2025, OHSU's strategic plan, is built around our vision:

OHSU will partner to be a leader in health and science innovation for the purpose of improving the health and well-being of people in Oregon and beyond.

OHSU 2025 provides a road map to help guide the University to where it wants to be in year 2025. The plan aims to deliver breakthroughs for better health through its six goals:

1. Building a diverse, equitable environment where all can thrive and excel.
2. Being the destination for transformational learning.
3. Enhancing health and health care in every community.
4. Discovering and innovating to advance science and optimize health worldwide.
5. Partnering with communities for a better world.
6. Ensuring a sustainable foundational infrastructure.

These goals span OHSU's missions, supported by objectives that are focused on identifying new ways to understand disease, treat illness and train the next generation of scientists and health professionals. They begin with our commitment to listen to what communities — across Oregon, and around the world — need from OHSU, and end with our commitment to the people who will respond to those needs and make this work a reality.

With 42 objectives and hundreds of tactics, OHSU 2025 reflects not only the breadth and complexity of the state's only academic health center, but also the challenges in health and science that OHSU must address.

OHSU 2025 was developed from the ground up. More than 5,000 OHSU members contributed to the plan, providing input on OHSU's future picture, shaping the plan's goals and developing detail around its objectives and tactics.

The process that created the plan — and will carry through its implementation — speaks volumes about what makes it unique: It is a strategic plan that is not only for, but by, OHSU.

OHSU Board of Directors

Wayne Monfries, Chair
Vice President of Tax, TransUnion

A graduate of Georgetown University, he has over 30 years of experience in tax and accounting. Prior to his current role at TransUnion, Wayne was a Vice President for NIKE for nine years. He began his career in public accounting at Big 4 accounting firm PWC in Washington, D.C. and has also held finance and tax positions for food manufacturer Mars Incorporated in New Jersey and London.

Ruth Beyer, Vice Chairwoman
Senior Vice President and General Counsel, Precision Castparts Corp.

Ruth A. Beyer, J.D. has been Senior Vice President and General Counsel of Precision Castparts Corp. since April 1, 2013. Prior to that, she was Principal in the Portland office at Stoel Rives LLP, and served as the Managing Partner from 1995 to 2005. She serves as Chair of the Board of Regents of OSU Honors College and the Co-Founder of the OSU Women's Giving Circle. She served as a Trustee of Marylhurst University and has been a Member of the Board of Directors of Morrison Center since 2006. Ms. Beyer is a past recipient of the Award of Merit from Multnomah Bar Association.

Stacy Chamberlain
Executive Director, Oregon AFSCME Council 75

Stacy Chamberlain is a highly regarded leader in Oregon's labor movement, and currently serves as the Executive Director for Oregon AFSCME Council 75. She was elected AFSCME International Vice President in 2016 representing the Northwest Region. Stacy is dedicated to promoting equity in the labor movement, helping form Oregon Women Labor Leaders, a group established to help break down barriers and promote the advancement of women into leadership positions. An Oregon native, Stacy graduated from Portland State University and earned a law degree from Willamette University.

Prashant Dubey
Vice President of Contract Solutions, Elevate Services

Previously, Prashant was President & CEO of Sumati™, the leading global provider of Contract Management services, acquired by Elevate in December 2018. Prior to Sumati, Prashant was an executive at Bain, Baxter, Tripwire, Covansys, and Fios. He has been in the legal industry since 2003 and is the co-author of leading legal industry books such as *Litigation Readiness* (Lexis Nexis) and *The Generalist Counsel* (Oxford University Press). Prashant serves on public and private boards including Oregon Health & Science University and The University of Chicago. He holds a BA in Economics from the University of Chicago and an MBA in Strategy from the University of Chicago Booth School of Business.

Danny Jacobs, M.D., M.P.H., F.A.C.S.
President, OHSU
Ex Officio

Danny Jacobs, M.D., M.P.H., F.A.C.S., became the fifth president of OHSU on Aug. 1, 2018. Dr. Jacobs came to OHSU from the University of Texas Medical Branch in Galveston, where he served as executive vice president, provost and dean of the School of Medicine. At UTMB, he also served as chief academic officer and head of the faculty group practice, and was a principal partner for the UTMB health care system. Throughout his distinguished career, Dr. Jacobs has been committed to excellence in education, research and patient care. He is nationally and internationally recognized for his contributions to medicine.

OHSU Board of Directors

Lubna Khan
M.D. Candidate

Lubna Khan is currently a second-year medical student at OHSU. Prior to medical school, she attended Oregon State University Honors College, where she studied Biochemistry and Biophysics. She is the founder of Ettihad Cultural Center at OSU, the first of its kind center representing students from the Greater Middle East. She has held multiple elected positions in student government in her time at OSU, and continues to be civically engaged in her free time. Lubna has professional interests in health care delivery design, health policy, and global outreach.

Chad Paulson
Vice President, General Counsel and Secretary, Blount International, Inc.

Chad Paulson is a graduate of the University of Oregon School of Law and holds an undergraduate degree from Oregon State University. He has about twenty years of legal experience, starting as a commercial litigation Associate at Miller Nash in 1998. In 2006 he joined Blount, handling a variety of legal matters presented to the global manufacturing company and was promoted to General Counsel in 2012. At Blount, Chad has managed domestic and international mergers and acquisitions, acted as corporate secretary for a publicly traded company, actively engaged and advised regarding strategic planning, and has developed and implemented compliance and governance programs for the company.

Amy Tykeson
Managing Trustee, Tykeson Family Charitable Trust

Amy Tykeson is managing trustee of a family foundation contributing to education, health care and the arts. She serves on regional boards and committees, including Economic Development for Central Oregon, the Central Oregon Regional Solutions Advisory Committee and Looking Forward. She served as CEO and president of BendBroadband for 34 years and through industry involvement and advocacy she has helped shape national telecom policy. She has served on the board of directors of the National Cable and Telecommunications Association, CableLabs, C-SPAN and Oregon Cable Telecommunications Association and as trustee for the Catlin Gabel School and The Nature Conservancy of Oregon.

Steve Zika
CEO, Hampton Lumber

Steve Zika is the CEO of Hampton Lumber, a family-owned forest products business headquartered in Portland, Oregon, employing about 1,600 people primarily in Oregon, Washington, and British Columbia. Hampton owns approximately 118,000 acres of U.S. timberland, managed on a sustainable basis and certified through the Sustainable Forestry Initiative (SFI), manages 120,000 hectares of provincial timberland in British Columbia, and owns nine sawmills in Oregon, Washington, and British Columbia. Steve is a native Oregonian, with a B.S. in Business from Oregon State University and almost 30 years of experience in public accounting and private industry.

OHSU Accreditation

Regional Accreditation

Oregon Health & Science University has received continuous regional accreditation by the Northwest Commission on Colleges and Universities (NWCCU) since 1980. OHSU is authorized to offer associate, baccalaureate, masters, professional practice doctoral and research doctoral degrees, as well as graduate certificates. The last NWCCU accreditation visit occurred in October 2018. The next required accreditation action will be the submission of a Fall 2021 Policies, Regulations, and Financial Review Report and a Fall 2022 Evaluation of Institutional Effectiveness (EIE-Year Seven) Report.

Accreditation of an institution of higher education by NWCCU indicates that it meets or exceeds criteria for the assessment of institutional quality evaluated through a peer review process. An accredited university is one that has available the necessary resources to achieve its stated purposes through appropriate educational programs, is substantially doing so, and gives reasonable evidence that it will continue to do so in the foreseeable future. Institutional integrity is also addressed through accreditation.

NWCCU accreditation is not partial but applies to the institution as a whole. As such, it is not a guarantee of every course or program offered, or the competence of individual graduates. Rather, it provides reasonable assurance about the quality of opportunities available to students who attend OHSU.

Institutions accredited by NWCCU are required to examine their own missions, goals, operations and achievements. Since the institution is reviewed by NWCCU on a regular, ongoing cycle, continued self-study and improvement is necessary for OHSU to ensure compliance with accreditation standards. In order to assure NWCCU, key stakeholders and the general public that OHSU is fulfilling its mission, four core themes, along with objectives and indicators of performance, have been defined. The four core themes are:

- Learning Environment
- Interprofessional Education
- Clinical and Translational Research
- Health System and Health Policy Leadership

A table showing OHSU's performance on its core themes, objectives and indicators can be found on page 2.

Specialized Accreditation

Specialized accreditation is a type of accreditation status that is designated for specialized academic programs within an institution of higher education that have already been awarded regional institutional accreditation. Specialized accreditation focuses on specific aspects of the program's academic field of study.

Currently, OHSU has 36 academic fields of study with specialized accreditation from 15 different specialized accrediting agencies. For a complete list of all of the accredited programs and their respective specialized accreditation agency, see the OHSU Inventory of Specialized Accreditation and Reporting Timeline Table on page 6.

OHSU Core Themes

Core Theme #1 – Learning Environment

Objective 1.1 – Develop student pipeline to meet the health needs of an increasingly diverse Oregon and nation.

Indicator		Target	Time Period for Current Results	Current Results
1.1.1	Percentage of underrepresented minority students in OHSU programs, of total OHSU students.	≥17%	Fall 2019	20%
1.1.2	As a result of their involvement in On Track OHSU! high school participants will report increases in self-identity as a science learner.	≥80%	AY 2018-19	84%
1.1.3	Percentage of OHSU nursing BS graduates educated outside the Portland campus.	≥66%	AY 2018-19	62%

Note: The professional exams are reported by calendar year for DMD and BS Nursing students. The professional exams are reported by academic year for MD, PharmD, and Radiation Therapy students. The OHSU Annual Data for Human Nutrition exams reflect the percentage of graduates who took the exam in that year - not necessarily the cohort who graduated that year. For example, the 2010 total number includes 2010 graduates, but may also include graduates from the previous year(s) who deferred taking the exam.

GLOSSARY

Glossary

A

Academic Health Center

Provides the classification of OHSU as an accredited, degree-granting institution of higher education that educates a wide variety of health care professionals, offers comprehensive basic and advanced patient care, and conducts a broad spectrum of biomedical and health services research. AHCs must include: an allopathic or osteopathic school of medicine; at least one other health professions school or program (such as allied health, dentistry, graduate studies, nursing, pharmacy, public health, and veterinary medicine); and, one or more owned or affiliated teaching hospitals, health systems or other organized health care services.

Academic Year

The year beginning with summer term and ending with spring term. For example, academic year 2019-20 begins with summer term 2019 and ends with spring term 2020.

Adjusted Census Day

Adjusted census day = (gross patient revenue / inpatient revenue) * census day. See Census Day.

Admitted Student

Student who has been offered admission into an OHSU academic degree or certificate program.

AFSCME

Nearly 40% of OHSU's employees are represented by Local 328 of the American Federation of State, County and Municipal Employees (AFSCME). AFSCME-represented positions range from pharmacists, certified nursing assistants to business data analysts, laboratory animal technicians and administrative assistants.

Applied Student

Student who has submitted an application for admission into an OHSU academic degree or certificate program.

Ambulatory Visits

Medical care including diagnosis, observation, treatment and rehabilitation that is provided on an outpatient basis. Ambulatory care is given to persons who are able to ambulate or walk about. A well-baby visit is considered ambulatory care even though the baby may not yet be walking.

C

Census Day

The number of days that inpatients (excluding newborns in the nursery) are hospitalized. Census days are based on a snapshot of inpatients in bed at midnight.

Certificate

An academic award, distinct from a degree, certifying the satisfactory completion of an academic instructional program or course of study. OHSU awards post-baccalaureate certificates, post-master's certificates, and post-doctoral certificates.

Consumer Price Index (CPI)

The Consumer Price Index (CPI) is a measure of the average change over time in the prices paid by urban consumers for a market basket of consumer goods and services. The CPI and its components may be used to adjust other economic series for price changes and to translate these series into inflation-free dollars.

D

Daypatient

Patients undergoing an ambulatory surgery or procedure who are expected to be discharged with fewer than two midnights of hospital care (e.g. same day discharge or routine overnight recovery).

Dental Admission Test (DAT) Score

Average score of admitted students in a given year on the admission test for dental school, the Dental Admission Test administered by the American Dental Association (ADA).

Degree

An academic title conferred by a university to a student who has successfully completed a specified instructional program of study. OHSU awards associate degrees, bachelor degrees, master's degrees and doctoral degrees.

Discharge

A person who was formally admitted to the hospital for inpatient care in accordance with a physician's order, with the expectation of remaining overnight or longer, and who is discharged under one of the following circumstances: (1) is formally discharged from care of the hospital and leaves the hospital; or (2) has died.

Discharge Days

The total number of days between the inpatient admission and discharge dates for each patient (length of stay). The day of admission but not the day of discharge is counted as a discharge day (except for admission and discharge on the same day, which is counted as one discharge day).

E

Education and General Funds

The portion of the OHSU budget that is devoted to instructional and support services for students and faculty, including managerial and administrative functions needed to provide the services.

Ethnic or Racial Categories

Students

Ethnic or racial categories are self-identification items in which students choose the categories with which they most closely identify. The ethnic or racial group categories reported for OHSU students are defined by the United States Census Bureau and the Federal Office of Management and Budget (OMB). Those racial categories reported for students are listed on the federal IPEDS reports (effective Fall 2009) as: American Indian/Alaska Native; Asian; Black/African American; Native Hawaiian or Other Pacific Islander; Two or more races; and White (including people of European and Middle Eastern origins). In addition, student ethnicity is categorized as either Hispanic/Latino or Not Hispanic/Latino. Students who decline to respond are listed in the “unknown” category. These ethnic and racial categories do not include foreign students.

Employees

The ethnic or racial group categories reported for OHSU employees are defined by the United States Department of Education, Census Bureau and the Federal Office of Management and Budget (OMB): The Equal Employment Opportunity Commission of the US Department of Labor (EEO) requires employers to report various information about their employees, in particular, their racial/ethnic categories to prevent discrimination based on race/ethnicity. The 2009 racial categories include: American Indian/Alaska Native; Asian; Black or African American; Native Hawaiian or Other Pacific Islander; Two or more; and White. The 2009 ethnic categories are Hispanic/Latino or Not Hispanic/Latino. These racial and ethnic categories are self-identification data items in which employees choose the categories with which they most closely identify. These categories include employees who are not citizens of the United States, but have permanent residency status or a temporary work permit or visa.

Enrollment

OHSU, like all other higher education institutions, uses several different definitions in counting enrollment. The various definitions serve different purposes: budget preparation, workload evaluation, federal reporting, single-point snapshots, and description of OHSU’s provision of educational services.

Student Headcount Enrollment

Headcount enrollment represents the number of individual students enrolled in credit courses, regardless of course load. Historical enrollment has generally been expressed in terms of fall headcount. National comparisons of enrollment are most often made on the basis of fall headcount.

F

Faculty

OHSU primary academic appointments reflect FTE and unit-provided funding.

At OHSU, the Faculty comprise three series: OHSU faculty series and ranks are designed to promote consistency of policy and practice for faculty appointments in the schools, other academic units, and free-standing research centers and institutes.

1) Professorial Series:

- Assistant Professor
- Associate Professor
- Professor

2) Instructional Series:

- Lecturer
- Instructor

3) Research Series:

- Research Assistant Professor
- Research Associate Professor
- Research Professor

Faculty Rank Modifiers:

- A. Adjunct: A prefix to academic rank for qualified individuals who may be employed by OHSU to teach part-time or intermittently, but have professions or employment elsewhere.
- B. Provisional: A suffix to faculty rank of Associate Professor or Professor to denote a faculty appointment pending action by the appropriate promotion and tenure committee.
- C. Visiting: A prefix to faculty rank for individuals who are temporarily appointed to the faculty or who are on leave from another university or college.
- D. Emeritus: An honorary title for a retired faculty member recognizing distinguished past service to OHSU.

Faculty in the Community-based Clinical Series teach OHSU students/trainees in community settings and may receive a stipend for their contributions or volunteer their time. These faculty are called Clinical Series for Community-based Faculty.

- Clinical Assistant Professor
- Clinical Associate Professor
- Clinical Professor

Fellow (Graduate Medical Education)

An individual who has graduated medical school, completed a core residency and is pursuing further sub-specialty training.

G

Grade Point Average (GPA)

Average grade based on a pre-defined scale (for example 0 to 4 points, where A=4, B=3, C=2, D=1, F=0). The undergraduate GPA is one factor used in student application and admissions processes.

Graduation Rate

Reflects the percentage of an entering cohort of students who complete a degree within a specified length of time. The common national practice used for baccalaureate completion is to report the percentage of the entering students who complete a bachelor's degree within 150% of the published time.

Graduate Record Examination (GRE)

The Graduate Record Examinations (GRE) is a standardized test that is an admissions requirement for most graduate schools in the United States. It is created and administered by Educational Testing Service.

H

Hospital Occupancy Rate

The number of inpatient hospital beds occupied divided by the average number of hospital beds. Serves as a measure of health facility inpatient use.

House Officer (Graduate Medical Education)

Term used to describe all postgraduate trainees (individuals who have graduated medical school). The term includes interns, residents and fellows.

I

Industry Sponsored Research Agreements

A contract through which an industry partner funds a research project at OHSU. These projects support the academic, research and/or healthcare missions of OHSU. These do not cover clinical trial agreements or other research projects funded by an industry that involve any intervention with a human subject as part of the project.

Inpatient

Patients who are expected to require medically necessary hospital care that can only be done in a hospital (not as an outpatient), and that spans at least two consecutive midnights, including time spend in the Emergency Department of other outpatient department.

Intern (Graduate Medical Education)

An individual who has graduated medical school and is in their first year of a postgraduate training program.

Invention Disclosures

Disclosure forms received by OHSU's Technology Transfer describing potential new intellectual property and/or inventions.

IPEDS

Integrated Postsecondary Education Data System, part of a series of reports collected annually by the National Center for Educational Statistics (NCES).

L

Length of Stay (LOS)

The total number of days between the inpatient admission and discharge dates for each patient.

License/Option Agreements

A LICENSE AGREEMENT formalizes the transfer of intellectual property between two parties, where the owner of the intellectual property (licensor) permits the other party (licensee) to share the rights to use the intellectual property. An OPTION AGREEMENT grants the potential licensee a time period during which it may evaluate the intellectual property and negotiate the terms of a LICENSE AGREEMENT. An OPTION AGREEMENT is not constituted by an Option clause in a research agreement that grants rights to future inventions, until an actual invention has occurred that is subject to that Option.

M

Medical College Admission Test (MCAT)

The Medical College Admission Test (MCAT) is required of all applicants to US Medical Schools, administered by the American Association of Medical Colleges.

N

Newborn

An infant, born alive in the hospital.

Non-resident

The fee status category of students who are assessed nonresident tuition.

Non-resident Alien

A student who is neither a U.S. citizen nor a resident alien (i.e., permanent resident) and holds a student visa.

O

Observation

Patients entering the hospital through the Emergency Department or as a direct admission or transfer, typically for “rule out” diagnoses or symptom management. Observation is not for overnight recovery following an ambulatory surgery or procedure.

Office Visit

A visit that includes an Evaluation and Management service that is typically charged for. Examples include office visits, consultations, and post-op appointments.

ONA

OHSU members of the Association of University Registered Nurses (AURN) of the Oregon Nurses Association (ONA) comprise about 15% of OHSU’s employees. Registered nurses providing patient care in the hospital and clinic settings of OHSU are ONA-represented.

Oregon Opportunity Grant

The Oregon Opportunity Grant is a state-funded, need-based grant available to undergraduates that attend an eligible Oregon postsecondary institution and meet the income eligibility requirements. OHSU’s undergraduate Nursing and Radiation Therapy programs are eligible programs.

Outpatient

A patient who is admitted to a hospital or clinic for treatment that does not require an overnight stay.

Outpatient Visits

Includes emergency room visits, outpatient clinic visits, referred ancillary service visits, home health care contacts, and day care days, where the outpatient is treated and released the same day. Also included are outpatient ambulatory surgery visits, renal dialysis visits, observation care visits, psychiatric visits, chemical dependency visits, hospice outpatient visits, and adult day health care visits.

P

Pell Grant

The Pell Grant is a federal, need-based grant available to undergraduates that attend a post-secondary institution and meet the income eligibility requirements. OHSU’s undergraduate Nursing and Radiation Therapy programs are eligible programs.

R

Resident

The fee status category of students who are assessed resident tuition.

Resident (Graduate Medical Education)

An individual who has graduated medical school and is in a postgraduate residency training program.

S**Sponsored Research Dollars**

Includes sponsored research, teaching/training grants, library grants and similar support.

T**Tuition**

The mandatory charge for instruction assessed students for enrolling in an OHSU academic course.

U**Underrepresented Minority (URM)**

Any ethnic or racial minority group whose representation is disproportionately less in a given context relative to their numbers in the general population constitutes an underrepresented minority.

For students, OHSU defines underrepresented minorities based on minorities underrepresented in medicine, dentistry and nursing professions. The following students are considered an underrepresented minority when self-identifying race or ethnicity as follows:

- American Indian or Alaska Native
- Underrepresented Asian (Korean, Vietnamese)
- Black or African American
- Native Hawaiian or Other Pacific Islander
- Two or more races (with at least one race classified as URM)
- Hispanic or Latino Ethnicity
